

how to bet

Betting guide & tips: Betting can seem confusing to the first-time visitor, but it's really quite simple when you know how. That's why we have provided some handy information to help make your evening at Towcester Racecourse even more enjoyable.

HOW TOTEPOOL BETTING WORKS...

With Totepool you are not betting against a bookmaker.

Your stake goes into a pool...

...and how much you win depends on how many other winning tickets there are, just like the lottery.

You don't get fixed odds like you do with a bookie.

But betting with Totepool can often pay more.

So make sure you check out the value on offer!

Good luck with your bets, we hope you back a few winners!

HOW TO PLACE YOUR BET...

SINGLE RACE BETS

For all single race bets, you can simply call over the details of your selections at any Totepool betting point, as follows:

- Your stake
- The race number
- The type of bet
- The race meeting
- Your greyhound number(s)

For example:

"A £5 toteexacta on greyhounds 4 & 6 in race 2 at Towcester please!"

MULTI RACE BETS

To place a multiple race bet you will need to complete a play slip, available at all Totepool betting points, as follows:

- Mark your greyhound selections in each race using the racecard numbers
- Mark your unit stake. If you have just selected one greyhound in each leg then this will be the total cost of your bet
- If you pick more than one greyhound in each leg you can leave the unit stake section blank and tell our staff how much you would like to pay in total
- State which race meeting your bet is for

Always check your bet receipt before going to cheer your greyhounds on!

PLEASE NOTE: An each way bet placed on a 6 greyhound race will pay out on 1st and 2nd place
An each way bet placed on a 8 greyhound race will pay out on 1st, 2nd and 3rd place
